Deinstitutionalization

- Closure of most institutions in PA
- Normalization of community inclusion

Pennsylvania Association

Normalizing the lives of children in the community is a goal of the Pennsylvania Association for the Mentally Retarded. The East Liberty Pres. Church sounds so normal but the marriage need to couple, employed, live independent, met, fell to marry. Ralph is in January. Here the placed. I had protective custody of retarded as children proven ability to function were placed, at diff. times. Transitional Services provided their own jobs, lived in their own rent and bore responsibilities of responsibility they met and felt a Church wedding was and a reception
